

PUBLIC ACCESS GUN RANGE RULES

To ensure everyone's safety, please follow the following range rules. If you have any questions, please ask any RSO to clarify. Negligent discharge, damage to property, displaying careless disregard, ignoring an RSO's directive, or any of the following could result in an immediate removal from the range and/or premises.

Range Rules

- **Always keep your muzzle pointed in a safe direction (pointed up at ceiling) until in bay, then downrange only.**
- **Keep your finger off the trigger, out of the trigger guard until ready to fire.**
- **Open the action of a firearm immediately after uncasing and until ready to fire.**
- **Eye and ear protection must be worn at all times in the range.**
- **Rapid fire, hip-shooting and draw-and-fire from the holster is prohibited.**
- **Always treat every firearm as if it were loaded. Never leave a firearm unattended.**
- **Fully automatic weapons are prohibited. Rifles must be of a handgun caliber.**
- **Anyone suspected, in the Lead RSO's judgment, of being under the influence of alcohol or drugs will NOT be allowed in the range area or on the range floor.**

Range Safety Officer Authority: The Range Safety Officer (RSO) has the duty of maintaining range rules and safety. The RSO has the ultimate authority to require a person to leave the range for a rule violation or any other cause that threatens the safety of staff and customers. South Metro Public Safety Training Facility has a three strike rule. Customers will be alerted after each infraction and could be asked to leave after a third infraction in a given day.

Ammunition

Tracer, incendiary and armor piercing rounds are prohibited. The following calibers are allowed:

.22	.25	.32	.38	.380	9mm	.40	.44	.45	10mm
-----	-----	-----	-----	------	-----	-----	-----	-----	------

Additional Rules & Guidelines

- Transport all firearms cased and unloaded, storing ammo separate until on the range floor.
- Shooters must wait outside the range floor for the next available shooting lane.
- Everyone must remain on the carpeted area of the range floor; not forward of the firing line. Do not reach past the firing lane, alert an RSO if you would like to retrieve an object.
- You may pick up only your brass, on the carpeted area; not forward of the firing line.
- All participants are required to have paid and completed a waiver of liability form in order to use range, even if only observing.
- A maximum of three paid customers are allowed in a bay, with only one active shooter per bay at a time.
- Solo shooters must be at least 18 years old. Children at least 10 years of age or older may shoot if accompanied by an adult.
- Malfunctions must be cleared at the firing line. Ask the RSO for assistance if necessary.
- All targets must be at a minimum distance of 28 feet and level with the shooters point of aim. Shoot only at your target. Remove your target when finished.
- Shooting allowed from the standing position only. No shooting from prone or kneeling stances.
- Only paper bullseye targets are allowed; no silhouettes.
- No passing of a loaded firearm to another person.
- If a "cease fire" is called, immediately clear your weapon and step back from the lane.
- People afflicted with a condition that, in the Lead RSO's judgment, diminishes safe operation and handling of firearms are prohibited from shooting.
- No food, beverage, or smoking is allowed in the range.
