Leadership for Law Enforcement
Minnesota POST approved course #10444-0006

Registration at: Leadership for Law Enforcement
or at www.on-targetsolutionsgroup.com

Who should attend: This course is designed for all law enforcement professionals who strive to be an effective leader. Without understanding leadership and developing strong leadership skills, organizational success can suffer. Effective leaders get employees to want to provide quality service.

Why another program on leadership? Leadership has been a recognized discipline for thousands of years in the military, business, politics and government. Understanding leadership differences along with similar approaches across disciplines can be of great value to government executives. Advances in the understanding of leadership as it pertains to government service have found that the best leaders must have an overlapping skill set.

This compelling and powerful program provides real world, successful examples on how leadership in government has evolved. Participants will take away a clear understanding of leadership styles and strengths, and what it takes to become an even more effective leader. You will understand the value in developing flexibility in your leadership approach to garner peak performance and meet organizational goals.

Topics Include:

- What is leadership - do not follow the fads
- How has leadership advanced in government
- The difference between leadership, management and administration
- The 5 levels of leadership
- Preventing employees from becoming problems
- Symptoms of leadership deficit
- What gets measured gets done
- 21 irrefutable laws of leadership

Fee \$150.00

(\$125.00 if 3 or more from same agency)

Comments from attendees:

"One of the very best and motivational courses I have taken. Very inspiring."

"I would recommend this to all leaders or those looking to being promoted."

"Interaction and expertise of the instructor was obvious."

"I appreciated how the presenter inserted personal stories about his career into this system to show how it works."
