*"I wanted to reach out to you and thank you for your leadership seminar. I do have struggles within my department with current tenured employees as well as a culture that isn't used to new ideas and fresh starts. That, in itself, has been my biggest hurdle. As I listened and participated in your leadership course it reassured me that I am on the right path. I was able to relate and internally analyze where our department is currently and where I want to take it."*

*"One of the very best and motivational courses I have taken. Very inspiring."*

*"I would recommend this to all leaders or those looking to being promoted."*
